

Field Trip

Dear Parents,

Third grade is planning a field trip to the Georgia Aquarium in Atlanta for December 11th. This is a wonderful opportunity for our students to learn about habitats and animal adaptations. The price for this trip is \$10.00 per student. Please send this money no later than Wednesday, November 11th, as we need to send it to the aquarium to secure our program. Student lunches are included in the ticket price this year due to the fact that the aquarium no longer allows coolers or outside lunches brought into the aquarium. Lunches consist of a turkey sandwich on whole wheat with condiments on the side, goldfish crackers, fruit snacks, and bottled water.

We will be leaving the school at 8:00 am and returning at approximately 5:30 pm. You will need to be at the school promptly at 5:30 to pick up your child. If you are willing to sponsor a child or make a donation, please make a note at the bottom of this page. This would be greatly appreciated!

We will also be taking 4 chaperones per class. Chaperones will need to pay for their chaperone ticket when money is paid for student tickets. Chaperone tickets are \$39.00 (includes lunch). All chaperones will be required to take the online Compliance Director. Please indicate if you would like to be considered as a chaperone by Friday, October 30. If more than 4 people volunteer per class, we will draw names. If not selected as a chaperone, parents may still go on the field trip. However, we will need those parents to provide their own transportation and pay for full admission of a ticket at the aquarium doors or online at www.georgiaaquarium.org. Keep in mind that as a chaperone you are responsible for all students assigned to you. Parents who meet us there are expected to stay with their child and his/her assigned group.
