

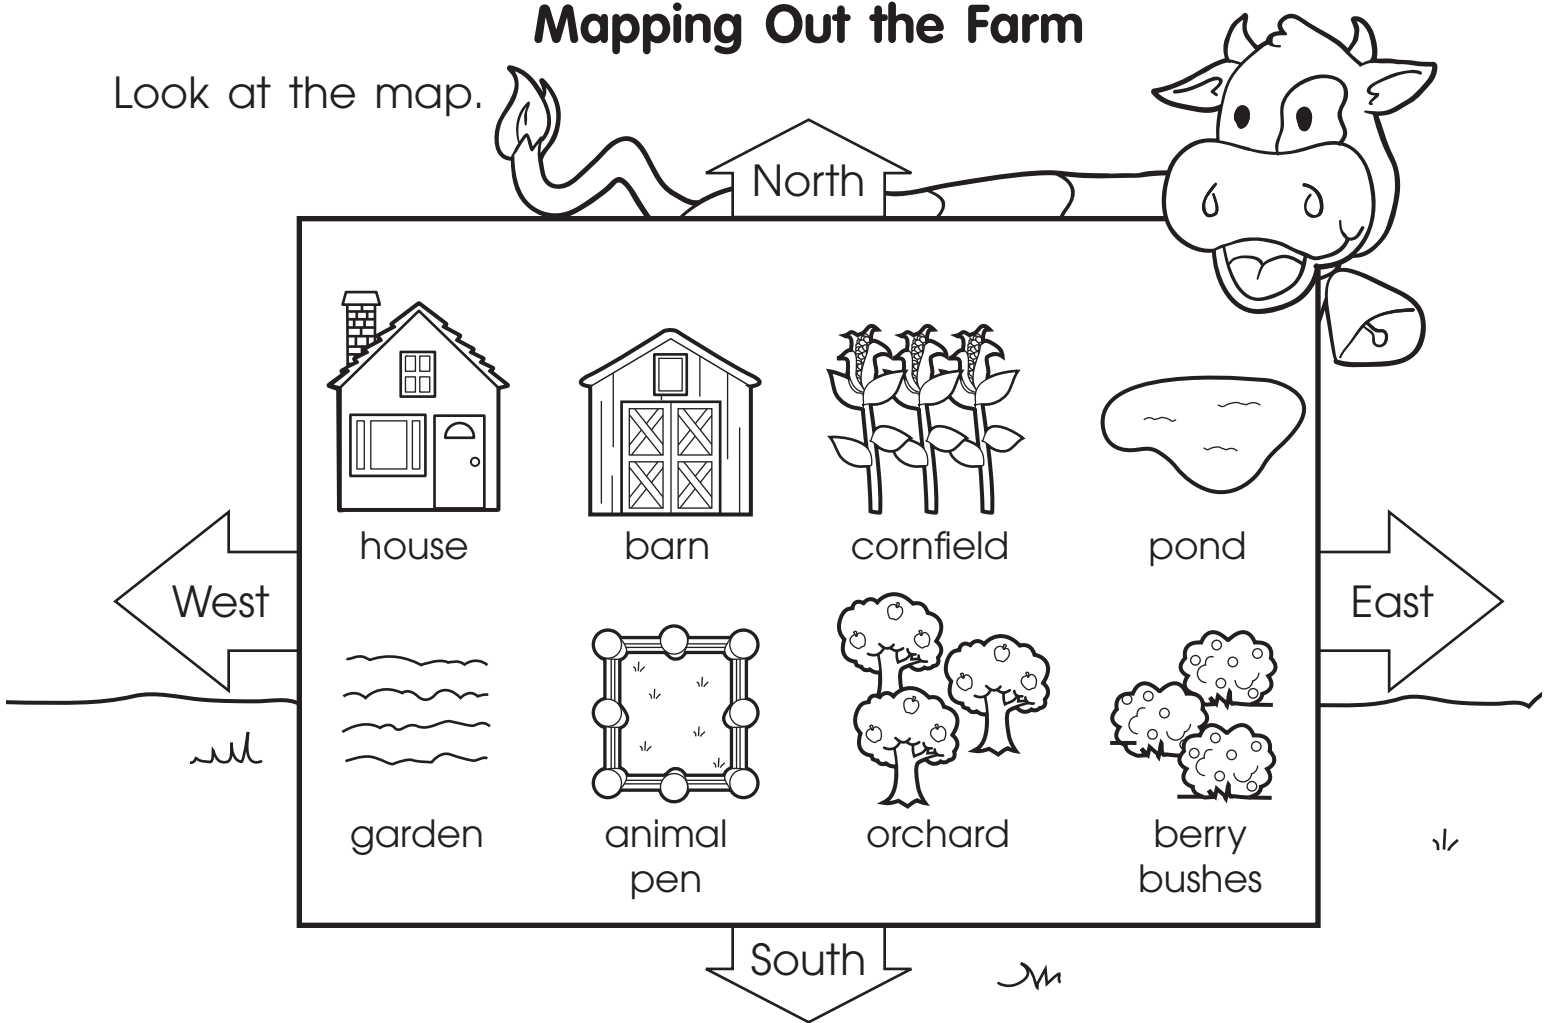

## Mapping Out the Farm

Look at the map.

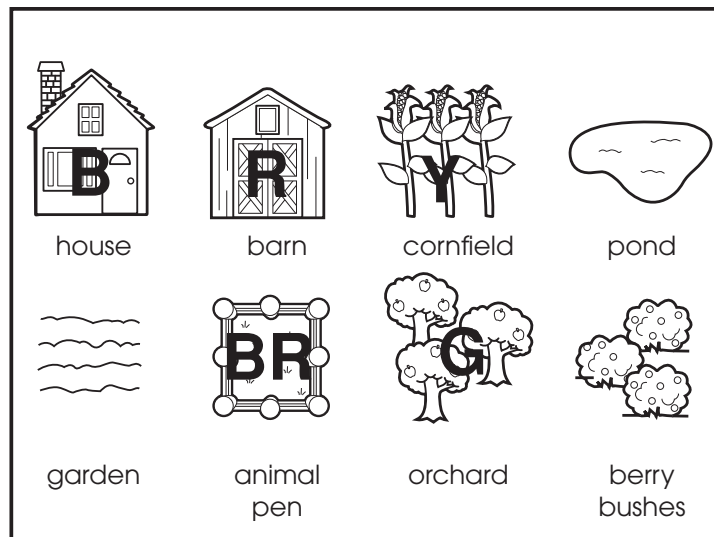

Follow the directions.

1. Find the house. Find the place that is **east** of the house. Color it red.
2. Find the cornfield. Find the place that is **south** of the cornfield. Color it green.
3. Find the garden. Find the place that is **north** of the garden. Color it blue.
4. Find the pond. Find the place that is **west** of the pond. Color it yellow.
5. Find the garden. Find the place that is **east** of the garden. Color it brown.

**Bonus Box:** Draw a black X on the place that is north of the berry bushes.

Answer Key

Bonus Box: A black X should be drawn on the pond.
